Hypertec Wireless Flip Mouse

Hypertec Accessories

1. Long range (Up to 10mtrs) 2.4Ghz wireless technology delivers a reliable connection and fast data transmission. Micro receiver/sender measures just 19 x 14mm including connector – I.E. just 6mm in depth when inserted, alternatively this can be securely stowed in the mouse.

2. The Metallic scroll wheel design makes for comfortable and convenient scrolling.

3. Foldable design enables easy carry or store. Unfold the mouse to turn it on and fold to turn it off to save the battery power.

4. The battery status indicator glows red when the battery is running low.

Slim mobile design
The mouse folds to 60% its fully expanded size. Approx 28 x 81 x 62mm

Ergonomic and Comfortable design
Get more control and comfort; extended size 36 x 111 x 62mm

Weight Equilibrium Design
One part PCB and weight plate, another with batteries maintaining centralised weight distribution improving sensitivity, comfort and feel.

Responsive
Switchable 800/1200 and 1600 Dpi settings delivers smooth responsive tracking.

Part Code: FLIPMOUSE

Enhancements to help you achieve maximum performance & comfort from all your IT systems.
